

CARY MULLEN

Keynote Title: The Champion Within – Building and Sustaining Success

Cary Mullen, Olympian and World Cup Champion, will propel us to the top of the world's most challenging mountains! It's no wonder that Cary was voted as one of the Hottest Speakers of the Year by *Successful Meetings Magazine*. He currently holds the World Downhill Speed Record for skiing 97 MPH down the world's most famous ski course in Kitzbuhel, Austria. Cary was a non-prodigy, an underdog, who placed *last* in his first World Cup race. He followed 5 key winning strategies to go from 'worst to first' and to ultimately become a two-time Olympian and World Cup Champion.

Cary is also the creator of the "How to Win Success System," an online coaching program and the author of a brand new book, *HOW to WIN – Short Stories for Success*. If you believe that success and winning are purely a matter of luck, Cary will change your mind. During this keynote, you will learn:

- A proven process that high performers use to "Lunge" out of their comfort zones and win
- The "Winning Secrets" for sustainable success that will take your results to the next level
- A philosophy that enables us to adapt to adversity and enjoy it

Cary inspires innovation...energizes...and offers proven strategies for winning.
